Felsham & Gedding

# Village News

Firstly I need to kick this edition of with a thank you to Tricia who kindly stepped in to edit last months issue at very short notice when editing dates clashed with me being away with work.

Last time I edited, back in the cold days of February, I mentioned that my New Years resolution was to get out and take a walk very day. Whilst I have not got a perfect 100% record its not too far off. Am making it an opportunity to explore some more of the really beautiful countryside and villages around here, whether its walking around a village I don't know well or stopping when I find a footpath sign and seeing where it goes. Also loving seeing so much wildlife in my travels, especially the hares.

Talking of hares if your looking for something free to do with the kids over the holidays have a look at the GoGoHares trail in Norwich, on until the end of August. Details on www.gogohares.co.uk

The kids might also like to take some time of the holidays to make some artwork for the Felsham & Gedding Art & Craft in September – more details inside.

Whilst the children might like the school holidays the lack of free school meals over the holiday period can cause real difficulties for some families so please see the details of how food donations can be made in the village that will go to the BSE Food Bank depot.

# Felsham and Gedding Community Store Steering Group

First, can I apologise for the lack of communication. This is my fault entirely as I have missed many deadlines.

We have been meeting every week and looking into costs, valuations, obtaining quotes for possible building works. As you can imagine, these things take time.

We now have a "ball park" figure for the amount we need to raise to make the community shop a reality.

Not only will we need funds, we need the support of you all in raising these funds. Our craft fair this September will be raising funds for the Village Hall and the Felsham and Gedding Community Store.

I am looking for other fundraising ideas, so please email me if you have any. I will be contacting those who have given their details with the questionnaire. If anybody else is interested in volunteering please email me.

Thanks for reading this and please email me if you have any ideas, no matter how small or large.

#### I. Lust

As he had grown tired of scrolling through the images on his tablet he peered through his binoculars looking for stimulation. Panning the building opposite he stopped at a frequently visited, dimly lit, window and zoomed in. The scantily clad girl moved irritatingly in and out of sight first dragging a table to the window before positioning a black tripod on top. He excitedly zoomed closer as she tantalisingly opened the window before moving back behind the table. The flash of light as the gun sight was adjusted came too late for the voyeur and the bullet found its mark.

#### **FOOD BANK**

We have decided that donations for the Food Bank will be received at Blyth Cottage [situated opposite the Post Office] and either given to me or placed in the Bin in the Porch. The bin will be checked every day.

Items needed include non perishable food in tins and packets. tinned meat, fish, soup, vegetables, fruit and breakfast cereals, rice, pasta, baked beans etc.

The long Summer holiday has arrived and this will be a difficult time for needy families where children do not have a regular school meal and the need is year round.

Items are taken to a depot in Bury St Edmunds by volunteers and distributed to those who can give proof of their needs e.g. referral from Social and Medical Services. It is a service much valued by families or individuals on very low incomes. Even one item each month or when you do a big shop will make a difference.

Thank you for whatever you can give.

# Would you like to be the Recorder for: FELSHAM & GEDDING

The Suffolk Local History Council runs a Recorders Scheme throughout Suffolk. We administer a network of volunteers to ensure that the 'present' is adequately recorded at local level for the 'future'.

A Recorder will note significant happenings in their parish and collect their local parish magazines, leaflets, election pamphlets and newspaper cuttings. At the end of each year, they are asked to submit a short report summarising the activities of their parish. The reports are deposited at the Suffolk Record Office and available to future researchers together with the collected items.

If you are interested, please look at the Recorders Pack by visiting <a href="www.slhc.org.uk">www.slhc.org.uk</a> to acquaint yourself with the guidelines of the scheme. You do not need to be a historian; you do not need any qualifications other than an interest in your parish. In return you will receive a copy of the SLHC Newsletter and be invited to the annual conference specifically for Local Recorders.

To volunteer to help in this important work, please contact recorders@slhc.org.uk

# POLICE CONNECT

Keeping you informed, keeping your community safe

Members of the public are being invited to support Suffolk Constabulary by becoming the "eyes and ears" of their communities as part of a new initiative.

The Local Policing Volunteer pilot scheme, which was originally launched across six towns and villages including, in Bungay, Beccles, Woodbridge, Eye, Stanton and Long Melford in April, has now been opened up to the whole county and has already attracted early interest but spaces remain for further dedicated individuals.

As part of the non-uniform role, volunteers become accessible points of contact for their communities and help Suffolk Constabulary to detect crime by promoting effective communication and the prompt reporting of suspicious and criminal activity in each area. Volunteers are not expected to become involved in any incident where conflict or threat exists and will have no power of arrest or detention. They are there to report anything suspicious or unusual directly to the police. They will receive full induction training and have access to their local police station to attend appropriate briefings.

Local Policing Volunteers are an important element of our police family, which includes police officers, PCSOs, police staff and the Specials.

Local Policing Volunteers: • must be aged over 18 years • don't have an upper age limit • can work up to a maximum of 20 hours per week and hours are mutually agreed locally • are not required to wear a uniform • will be covered by public liability insurance wherever they undertake their volunteering duties

Anyone interested in becoming a Local Policing Volunteer will undergo a training package, be given a tabard and have a direct point of contact with police, as well as be included in regular meetings. The supportive role is also designed to work alongside usual activities and at no point requires participants to directly get involved in tackling crime.

Volunteers will need to undergo and pass security checks at the appropriate level for the role, although no medical assessment is required.

To gain further information regarding any of the constabulary's volunteering roles, visit <a href="www.suffolk.pnn.police.uk/joinus">www.suffolk.pnn.police.uk/joinus</a> or email <a href="mailto:specialsandvolunteers@suffolk.pnn.police.uk">specialsandvolunteers@suffolk.pnn.police.uk</a> or phone on 01473 613589.

#### Dear Friends,

I loved watching the World Cup this year. It's probably a faded memory for you now, but I have just watched France win the cup following a very exciting game of football. It was a great way to finish the tournament, and not quite as stressful as watching the England team play. I know that it was mooted that Gareth Southgate should set his sights on No. 10 Downing Street – but wasn't it lovely to have such a positive role model leading the England squad?

Of course, there could only be one winner in the tournament. Just as there is only one winner in each of the categories in the Olympic games or tennis at Wimbledon, or whatever the sporting challenge or competition might be. What we have to remember is that champions don't become champions overnight. Many begin their sport at a very young age — even as children. There's a lot to learn, many experiences to go through and plenty of hard work! A combination of these factors will go towards producing a champion footballer, tennis player or athlete.

Sometimes we might think that God could have saved time by planning for Jesus to arrive on earth as an adult, but the route he chose – for Jesus to be born a baby – meant that Jesus was able to experience life as we experience it, with plenty of time to learn and prepare for the work that God had for him to do.

But not only did Jesus spend time with God, just as an athlete would spend time with his coach, but he also chose a team to help in the work God had called him to. Jesus trained, encouraged and looked after his team. We continue to follow in his footsteps as we work as a team in our Church. We love to work together — and even though there are days when we may not always agree — we are able to rub along despite our differences.

What we do know is that we are on the team because we believe that God want us to be, because he wants everyone on his team!

Yours in Christ, Revd Sharon <u>revsharon@btinternet.com</u>, 01284-828599 or 07825086063

#### Felsham and Gedding W.I. July Meeting

July - Garden - Meeting!

Back in the early part of the year the President asked if anybody would like to host **The Garden Meeting.** 

There wasn't exactly a rush of volunteers but someone did come forward and so

was rewarded for her good deed

by a warm and sunny evening.

The members duly

arrived and wandered around the garden

some spent time locked in deep conversation, sadly the hostess was unable to earwig on them.

Then the President opened the meeting and business dealt with it was time for **The Quiz**.

After THE QUIZ it was time for sustenance and the amazing thing was that each plate of food a member had brought was not duplicated. Fortified by a beaker and a plate of goodies and a good natter the meeting closed.

#### Next month Mr Ken Petch will talk about Antartica

(could be a welcome subject if we are still having this wonderful sunny weather.) I 4th August at 7.30 in the Village Hall, Felsham. Why not come along.

I think that I probably put this recipe in the VN when I edited last summer but with this hot weather due to continue I thought it worth including again in this edition as this produces excellent results for very little effort!

# **Very Easy Homemade Ice-cream**

#### Thorpe Morieux and District Gardening Club.

The annual garden party is a much-enjoyed event in the Thorpe Morieux and District Gardening Club calendar. Each year a club member volunteers to hold this event in their own garden risking criticism but usually enjoying complements and even some advice. This year Tony and Kylie Sheppard invited the members to visit "Pantiles" in Cockfield on the evening of Monday 16th of July. Male members brought drinks and the ladies brought finger food and this together with glorious weather and good company made this social evening a great success.

Tony explained that they had not lived here long so some of the garden was only just becoming established. Even in this years hot dry summer the garden showed signs of hard work and an enthusiastic approach to gardening. On taking over the property photographs showed a very overgrown area of wild trees and shrubs. Clearing these had been very hard work. Now, however, the garden was beautifully laid out by taking advice from garden club members and a fair amount of trial and error. Vegetables in raised plots etc. and a small new orchard together with island flower beds looked very good and were a great credit to our hosts determination to have a garden to sit and enjoy as well as provide for the needs of the kitchen.

At this event the annual potato growing competition results were determined. Each member had been given a seed potato to be container grown and on this evening the pots were emptied and the potato content weighed, after about ten years of trying Sid Broughton was declared the winner with 2lbs and 7 oz from one root which earned him the prize of half a dozen eggs to help provide a meal of egg and chips.

At the conclusion of this very enjoyable evening the chairman, Linda Shotbolt, thanked our hosts on behalf of the members present for their welcome and for allowing their garden to be shared for everybody's pleasure. To mark this event the clubs head gardener, Carol Bailey, presented to Tony and Kylie a box of plants selected for planting and perhaps in the future would become a happy memory.

The pictures show a surprised competition winner and the plant presentation to our hosts.

Sid Broughton.
