VILLAGE NEWS
Issue 186, July 2019

Welcome to the July edition of your Felsham & Gedding Village News. Thank you for all the positive feedback on the new layout and we were pleased to hear how much you liked the pull-out planner we'll definitely be keeping that.

As you've no doubt noticed I've been doing my bit in the Village shop and it's been so interesting, finally meeting some of the people that I regularly order oil for, as well as getting to know other members of our community who either volunteer or shop with us. Please do read Ria's piece in the magazine on our newest suppliers and I hope to see you in there soon.

And finally, as Richard pointed out last month, I have had teething problems, most of the ads disappeared, so I apologise now for this month's issue being late and please keep bearing with us.

Allotment Bulletin No. 3

Now the growing season is in full swing, we have the perennial problem of the weeds growing faster than the cultivated plants, encouraged this year by the wet and warm weather. This, of course, means that we have hours of back aching toil if we hand weed or else we need to take a chance with the hoe. Taking a chance because it is all too easy to miss the weed which you are aiming for, thereby decapitating a treasured vegetable. Hey, hoe!!!! Unfortunately, we have no new applicants wanting to take on the spare plots available and join the happy band of 'diggers' working to cultivate their little bit of Felsham heaven. If anyone, experienced gardener or newbie, would like to take up a plot or a half plot, please email me at the address below. There is always help and advice, given freely by the experienced allotment holders.

Happy Gardening,

Brian. felshamallotments@btinternet.com

Ofsted rates Suffolk County Council Children's Services "outstanding"

After a week-long inspection in April, Ofsted have given Suffolk County Council Children's Services an "outstanding" rating, an improvement from the previous rating of "good" in 2015. Suffolk County Council is one of only seven in the country to achieve this rating, and the positive report is testament to the hard-working frontline staff at the council.

However, the council does still struggle to fill social worker vacancies, particularly given it does not pay social workers as much as some neighbouring councils

Furthermore, this is in stark contrast to the inspection of Suffolk SEND services earlier this year, which Ofsted rated "inadequate".

Rise in the numbers of care-leavers housed in unregulated accommodation

BBC Newsnight has reported a large rise in the number of care-leavers being housed in unregulated accommodation; the figures for Suffolk were the fourth largest of all English authorities. Children in care may move to supported accommodation once they are over the age of 16, to encourage independent living.

Poverty motion voted down by Council

At the Council AGM on 23 May, I proposed a motion asking the Council to acknowledge the findings of the UN Special Rapporteur on Extreme Poverty following his visit to the UK in November last year, and to set-up a cross-party policy develop group tasked with investigating actions that Suffolk County Council could take to reduce poverty in the county. Unfortunately, the Conservative administration decided to vote against the motion.

Suffolk has not escaped the national crisis: earlier this month, End Child Poverty published its 2019 statistics (28.5%) in Suffolk are being brought up in poverty.

Restrictions on recycling

The amount of goods that can be recycled in Suffolk has reduced, with Tetra Pak cartons and metal items such as pots and pans no longer being accepted in recycling bins. This decision was made by the Suffolk Waste Partnership following a refurbishment of the Material Recycling Facility near Great Blakenham, because the new sorting equipment that is being installed will not be able to separate out cartons.

Cartons and metal items will now need to be taken to household recycling centres. These will now be open until 7pm on Thursdays from May to August.

A14; proposed works over the next few weeks; hopefully you have had details? I had a meeting with highways England and they have promised to give us a phone number for any problems

MID SUFFOLK

Following the elections, Tory, green and Lib Dem group leaders have had a discussion as to the allocation of cabinet places and chairs of committees. Unfortunately, no agreement, (despite the number of other groups being half of the council) could be found so the cabinet will be solely Conservative and Independent members as are all committee chairs. All decision made by the chairs casting vote. The new leader is Cllr Suzie Morley.

PLANNING; the rules on bigger single storey extensions has been made permanent; although they must inform the council who will then contact neighbours who can object.

MID SUFFOLK PCSO. Melanie Yolland has been appointed as a first case contact and a proforma available for Cllrs to report incidences.

VILLAGE SIGN; I have been asked by a resident to ask any progress?

Thorpe Morieux and District Gardening Club.

The meeting of The Thorpe Morieux and District Gardening Club for May was arranged as a trip out to visit a garden at Holm House in Drinkstone. Kindly invited by the owners to entertain the club as part of The National Garden Scheme and its charities. On arrival at the house and gardens the club members noted that the drives and paths had been immaculately raked giving a clue to what might be a rather formal garden layout. So, it was with lawns and paths having metal edging providing a clean and tidy presentation. The head gardener made the members welcome giving everybody a map of this approximate 10-acre site. The members were then given freedom to roam and enjoy all or specific areas that interested them.

The house was surrounded by flower beds each arranged in a seasonal flowering style and the front lawn had a clipped box arrangement in the form of a knot garden. This led onto a pond with a fountain providing the pleasant sound of flowing water. A background to this were a varied number of trees and a small orchard all of arboreal interest. A large area beside the gardens took the form of a meadow recently sown with a wild flower mix which in time will be a great wild life attraction. A pond created in the middle of the meadow with an island and suitable pond edging plants will one day be quite beautiful.

Moving on to the vegetable garden with its immaculate layout most of the club members found it quite superb. Vegetables and fruit were all grown in raised beds easy to maintain, nurture and with caged protection from wildlife would provide well for the house kitchens. A large greenhouse gave early crops and ideally raised seedlings for planting out at the appropriate time. A major feature was an area with timber constructed composting bays. Here the waste vegetation could decay become very good compost with minimum waste and a good organic style for fertilising the raised cropping beds.

To conclude the evening the club members reassembled to enjoy a piece of cake and a good cup of tea. There followed much discussion largely amounting to the joy of visiting this style of garden and perhaps being influenced enough to apply some fresh ideas to their own home gardens.

Sid Broughton.

Dear Friends,

In June we celebrate our birthday. Well, the church does, as Pentecost is often regarded as the birthday of the Christian church, and the start of the church's mission to the world. So what does it mean? In the Acts of the Apostles, the book that follows the four gospels in the New Testament in the bible, we read an account of what happened to the disciples after Jesus had ascended into heaven following his resurrection from the dead.

Pentecost happens 50 days after Easter (the name comes from the Greek *pentekoste*, 'fiftieth'). It is a celebration of the day that the Holy Spirit, the third part of the Trinity of Father, Son and Holy Spirit came upon the disciples of Jesus. It sounded like a very strong wind, and it looked like tongues of fire. And then the disciples found themselves speaking in foreign languages, inspired by the Holy Spirit. People passing by at first thought that they must be drunk, but the disciple Peter told the crowd that the disciples were full of the Holy Spirit – not spirits of the alcoholic variety!

This year Pentecost falls on 9th June, and on 16th June we celebrate Trinity Sunday. Trinity is all about God as three persons, Father, Son and Holy Spirit. Many people find the Trinity confusing – even those of us who preach on it regularly!

All in all June is a great month for celebrating, for getting together and sharing food and fun. I hope to see you at our patronal service at St Peter's on 30th June at 10am, when we can celebrate the saint who I am calling 'the people's saint'!

Yours in Jesus Christ,

Felsham & Gedding Community Store

Another Successful month in the Village Store.

This month we welcome Katie from Hessett Farm and Ellie from Maypole Pork, Bradfield St George to our ever expanding list of local suppliers. Katie and Ellie are supplying us with small selections of frozen meats, ranging from Minced beef and Diced braising Steak to Gammon Steak, Flavoured sausages and Diced pork. They join Yum Yum Tree Fudge from Thurston, Butchers, Bakers, Busy Bees local honey, Curry with Love all from Lavenham, Pakenham Mill Flour ,Flowers from Lawshall, Maynards Juice and Bespoke Ales brewed by Felshams' own James Leggett , I am told (by Andrew) that its very nice.

We have started to stock a few "Free from" items such as Soya Milks and Dairy Free Spread. We have an order coming in shortly with a Gluten Free selection. I think I can safely say we are fully stocked now, but please let us know if there is anything that you think we can be doing differently, we love to receive your feedback.

As we are community run, we need to fundraise; we have a long term vision for the Shop and Post Office. Our fundraising is done in lots of ways, one being the ability for you, friends and family to own shares in the Shop. There are prospectuses in the shop for you to take home and read, they will also be available on our website to download.

We are always looking for Volunteers to join us, whether you can do once a week/month/one/four or ten hours over a week, come on in and say hello and fill in a form. It's that easy.

The Management Committee thank everyone who is involved with helping us succeed, not just the villagers but those outside the village to, especially Cockfield Post Office for their support since our opening.

Looking forward to serving you soon.

THE 59 CLUB

The 59 CLUB are looking for more people to take part.
We have plenty of numbers available

For those of you that don't know what the 59 Club is, it's based on the winning National Lottery Bonus Ball. Simple pick a number that's currently available from numbers 1-59, and if your chosen number is drawn as part of the bonus ball in the National Lottery Lotto, then your number wins.

We have 2 games per week. One on a Wednesday & one on Saturday.

The Wednesday game is charged at 50p per number and if your number comes up you win £15. The Saturday game is charged at £1 per number and for that game if your number is drawn you win £30.

The 59 Club is run on behalf of the Village Hall Management Committee, and raises funds for the Village Hall. So every little bit really does help!

If you would like to take part, or need more information, please get in contact with me: steven1515@yahoo.co.uk or 01449737040.

Thank you, Steven
