# VILLAGE NEWS

Issue 198, August 2020

**Welcome** to the September edition of your Felsham & Gedding Village News.

The plum and apple trees are laden with fruit and I made my first batch of chutney at the weekend; it's so hard to believe autumn is coming.

This year we once again left a good chunk of the garden to long grass and wildflower which has just been inundated with bees, butterflies and moths.

I think it must have been a good year for butterflies as we had a real variety and became slightly obsessed with trying to identify them all and now we have moved on to trying to identify the different moths that are drawn, at night, to the security light. You might say that we need to get out more but this year .....

You will be receiving, in early September, a local housing needs survey, do please take a moment to complete and return it – your views matter.

## LOCAL HOUSING NEEDS SURVEY

Don't forget to look out for your survey.....

- Would you like to move but cannot find or afford a suitable home in Felsham?
- Do you have children who cannot afford to live nearby?
- Are you concerned about the type of housing that may be provided in the village?

We are asking all residents and those with a connection to the village to complete a Housing Needs Questionnaire.

The questionnaire will be delivered to your home sometime over the first weekend of September 2020 and we would urge you to complete and return it so that we can identify any local affordable housing needs and find out what aspirations people might have for future housing in Felsham.

Keep an eye out for your forms and please take a moment to complete and return them, the more people who voice their wishes the better equipped Councillors will be to make the best decisions for Felsham.

## REQUEST FROM THE RESIDENTS OF YEWLANDS, FELSHAM

Residents of Yewlands are requesting members of the public to please park away from the edge of the road known as Yewlands.

Also, to be reminded that it is in fact a private road and has been ever since the road was first laid in 1972. This means it is not a road for turning or parking whilst visiting in Felsham. There is a perfectly good car park for both purposes.

**Section 243 of the Highway Code states that parking is not allowed:**

*“opposite or within 10 metres (32 feet) of a junction”*

Could you please, park in the free village hall car park, as your vehicle makes it really difficult for residents to see when turning out and returning to Yewlands.

Entry by refuse and recycling lorries is also made difficult.

Many thanks

## September Trivia

September is the only month with the same number of letters in its name as the number of the month: it is the ninth month and has nine letters.

The birthstone for September is the sapphire, which is found in many different colours but is most well known for being a bright, vivid blue colour. The sapphire is known for representing wisdom, good fortune, truth, and power.

September (from the Latin septem, seven) was the seventh month of the old Roman calendar.

Zodiac signs in September are split between Virgo (August 23 – September 22) and Libra (September 23 – October 22)

Historic fact -The Great Fire of London started on 2 September 1666, completely destroying the old city located within the ancient Roman Walls. It was believed to have started in a bakery and took three days to put out.

## SUFFOLK CHURCHES RIDE AND STRIDE 2020

### A rather different event this year

After all these weeks in lockdown we hear reports from all over the county of friends and supporters who are much looking forward to getting out on their bikes for our annual church to church event. In view of the importance to the work of the Trust of this, our main fundraising event, we are doing all we can to ensure the Ride takes place this year despite the need for sensible health precautions at all times.

The situation changes weekly - churches are now open for services. There is every indication that it will be safe for riders and striders to participate, provided of course they keep social distance. We hope you will also think it is safe, but of course it must be the decision and responsibility of all participants and parishes as to whether or not they take part. If the Covid-19 situation deteriorates we shall not hesitate to cancel but, at present, signs are looking positive.

The best guidance we can give at present is:

- Follow the Government guidance on Covid-19 prevailing at the time
- Some churches may not be open or there is no one to welcome you - just sign the register
- Don't worry if there is no register, just mark your own sponsor form with churches visited
- As an alternative to signing in, you could take a photo of the church sign as evidence
- Take your own pen
- It is unlikely that there will be refreshments, so please take your own
- Toilets may not be available
- If you enter a church, touch as little as possible
- Take hand sanitizer
- Remember the Highway Code and use lanes and minor roads where possible

Obviously we all pray that come September the guidelines WILL have further relaxed and we can all enjoy the day much as ever.

After the event please send in the sponsor form and money to the Local Organiser as usual.

**ENJOY THE DAY AND STAY SAFE!**

# Apple Crumble Cake

Preparation time      less than 30 mins  
Cooking time          30 mins to 1 hour

## Serves 12

This comforting apple crumble cake is equally good with a cup of tea or warmed up for dessert.

## Ingredients

### For the crumble topping

- 100g/3½oz plain flour
- 70g/2½oz cold butter, cut into small pieces
- 75g/2¾oz demerara or light brown sugar

### For the cake

- 100g/3½oz caster sugar
- 100g/3½oz unsalted butter, at room temperature, plus extra for greasing
- 2 large free-range eggs
- 100g/3½oz plain flour 1½ tsp baking powder
- 4 dessert apples
- 1 unwaxed lemon, finely grated zest and juice
- ½ tsp ground cinnamon

## Method

1. Preheat the oven to 180C/160C Fan/Gas 4. Grease the sides of a 20cm/8in square cake tin and line the base with baking paper.
2. To make the crumble topping, rub the flour and butter together with the tips of your fingers until the mixture resembles rough breadcrumbs. (You can also pulse the ingredients together briefly in a food processor.) Stir in the sugar. Put in the fridge until needed.
3. To make the cake, beat the sugar and butter together until light. Beat in the eggs one at a time, adding half the flour after you've beaten in the first egg, then stir in the rest of the flour and the baking powder.
4. Peel the apples, cut into quarters, cut out the core and cut each quarter into four long slices. Mix with the lemon zest and juice and cinnamon.
5. Spoon the cake mixture into the prepared tin. Place the apples on top and cover with the crumble topping. Bake the cake for 40 minutes, or until a skewer inserted into the centre comes out clean. Leave to cool in the tin for 10 minutes, turn out the cake carefully onto a wire rack and then turn it over onto another wire rack so it's crumble-side up.
6. Serve the apple crumble cake at room temperature or warm with cream.

**Don't forget that washing your hands regularly for 20 seconds is one of the most effective ways to prevent the spread of the COVID 19 virus**

Dear Friends,

A new term, a new school/university, the sense of new beginnings as we look towards Autumn. I have always loved September, and the way in which it heralds a change in the seasons. The weather, the fruits and the landscape bring with them such an assault on the senses.

However, this year of course will be very different as we continue to live in a new way, with ever changing and challenging horizons.

Our young people have suffered under the Covid-19 restrictions, particularly in relation to their examination results which for many has meant a change in their plans, and their hopes and dreams. As I listened to some of them on the radio recently, saying how their lives had been shattered, it reminded me of the fact that many young people are still engaged in slave labour across the world.

This was also true of our own country in the past, and Anthony Ashley Cooper, otherwise known as Lord Shaftesbury, fought endlessly, both in Parliament and outside it, to protect the poor, and especially the children, many of whom slaved in factories, worked down the mines or clambered up chimneys to clean them.

The statue of Eros in Piccadilly Circus is a memorial to him, but a far greater memorial are the various Acts of Parliament which protect children. Much has been achieved in recent times to go even further than Lord Shaftesbury to ensure that children are safe in every aspect of their lives.

I know how difficult it is for parents and carers of young people to balance the needs of their children to become independent against the fear of them having bad experiences out in the world.

I pray for every family that has teenagers who are about to start a new course or apprenticeship, or work experience, or even a job. And for those where none of the above apply. Let us all pray for our teenagers, and for their growing-into-adulthood years. May they be blessed with fun and happiness as well as hard work!

with every blessing,

# THE 59 CLUB

The 59 CLUB are looking for more people to take part.  
We have plenty of numbers available

For those of you that don't know what the 59 Club is, it's based on the winning National Lottery Bonus Ball. Simple pick a number that's currently available from numbers 1-59, and if your chosen number is drawn as part of the bonus ball in the National Lottery Lotto, then your number wins.

We have 2 games per week. One on a Wednesday & one on Saturday.

The Wednesday game is charged at 50p per number and if your number comes up you win £15. The Saturday game is charged at £1 per number and for that game if you number is drawn you win £30.

The 59 Club is run on behalf of the Village Hall Management Committee, and raises funds for the Village Hall. So every little bit really does help!

If you would like to take part, or need more information, please get in contact with me: [steven1515@yahoo.co.uk](mailto:steven1515@yahoo.co.uk) or 01449737040.

Thank you, Steven
