VILLAGE NEWS

Issue 209, July 2021

Welcome to the July edition of your Felsham & Gedding Village News.

I'm afraid it's a battleship grey day as I'm typing this. The sky is threatening rain but not obliging. It'll probably wait until I decide that its safe enough to venture outdoors and then promptly monsoon. Good excuse for a cup of tea though, so not all is lost.

I'm often reminded that 'we do need the rain'. I think this is probably a national way of consoling ourselves with the fact that we have an awful lot of it. Mind you, it's true enough – and if the cracked ground on my mother's vegetable plot was anything to go by, the more the merrier! I just wish it would happen overnight. Still, you can't have everything.

As if the rain wasn't enough, someone reminded me the other day – and he does this every year without fail, just to be a pain – that the days will be drawing in from here on. It's hard to believe that we're beyond the peak already! Six months to Christmas and all that. Doesn't bear thinking about, does it?

On a lighter note, it's been nice to see all the flora and fauna in bloom, and there's still plenty of time to enjoy it all – I'm pinning my hopes on an Indian summer this year. We've had two batches of ducklings pop up in our garden, but the mothers seem to make a habit of walking them up the road! If you're on Lower Green, do take extra care to avoid them.

Phil.

From last meeting – S137 donations – the donation from Suffolk Age Concern cannot be paid – No longer in operation, therefore the funds remain in the accounts.

The following may be of interest to members:

- SALC – East Anglia Community Energy Event (Webinar) – to create ground level, community based solutions to the climate crisis. Please ask clerk for details.
- BMSDC – Biodiversity – Extension to apply for Tree/Hedgerow/Wild Flower scheme – I know that you have shown interest in doing more in this area – I think that you decided that there was no suitable parish owned land that could be used – but I'm not sure if you have had any response to your request about BMSDC owned land?

- Sicon Foundation has been in touch & has talked to FPC before about possible tree planting schemes. They are focusing at the moment on 'litter picking' & have asked if we would be interested in joining in – I am assuming that litter isn't a real problem in Felsham. But they are interested also in knowing if they can support any other environmental projects in the village. Please ask clerk for details.

Thanks have been received from Issy O'Riordan from East Anglia Children's Hospice re: donation.

Thanks have been received from Sue Groom at Suffolk Accident Rescue Service re: donation.

What Felsham & Gedding W.I. Means to me...

I was persuaded to go along to a WI meeting by my neighbour thirty years ago. I was a young working mother and was reluctant to go at first. I had no real idea what WI was about apart from the stereotypical view of 'jam and Jerusalem'. I found a friendly and supportive group of really interesting women who discussed wide-ranging topics and had a real sense of community. The monthly meeting became something I really looked forward to as a point of contact with the village and time for me.

Alison Shaw

Do join the W.I----- I was told on moving to Felsham! Not a chance I thought to myself - I'm not into macrame and crochet. That was 20 years ago when I was quite young!!! And yes, I did join (20 years ago) I always do as I'm told and am so glad I did. It is such a good way to get to know your fellow (female) villagers, listen to an interesting talk once a month, make friends and be part of the local community. Yes, there are craft groups if you are interested, outings, meals out and so the list goes on.

Anne Dauncey

I am one of the older members and can remember when I was first called a 'Wild Indian', although I have never had a feathered headdress. Over the years I have enjoyed so many speakers and so much friendship.

Daphne Steadman

I first joined WI in 1948 when I lived in Enfield. Apart from 10 years spent in a very urban part of Lancashire, I have continued as a member in Buckinghamshire and now in Suffolk. During these years I have found being part of this National Organisation has been both a joy and a source of widening my horizons. Firstly, I have made so many good friends and secondly the WI plays a crucial role in lobbying Government successfully on many important issues such as modern slavery, and better health care for vulnerable women and children. At a county level many events are available both entertaining and instructive from Craft to Darts, Scrabble to Concerts at the Apex. WI has been such a large part of our lives and I should be very sad to see Felsham and Gedding WI close.

Beryl Meed

On Tuesday August 10, subject to any government restrictions, Felsham and Gedding WI will hold a Special AGM. It will be a bittersweet moment as, whilst it will be wonderful to meet up with all our friends after a prolonged absence, we face some challenging decisions. For several years we have been struggling to recruit new members and, particularly, to find volunteers to hold officer positions. Re-starting after the pandemic has brought those problems into sharp focus. We will have to decide if we can continue in some format, or join with another local institute, or close. This will be particularly poignant as in September 2021 we should mark our eightieth anniversary. Eighty years during which WI has provided glue for the fabric of our community with its monthly meetings filled with information, laughter and friendship.

If you are interested in finding out about why the WI has lasted such a long time and would like to help write the next chapter, please contact Alison Shaw 01284 827034.

GLI Group becomes official opposition.

Following success at the recent election, I will again be part of a Green, Liberal Democrats and Independents Group. The Green, Liberal Democrat & Independent (GLI) Group has 15 councillors overall and will take on the role of official opposition at Suffolk County Council.

Boundary Commission Review: consultation re-opens.

An additional phase of public consultation has opened in the Boundary Commission's review of Suffolk County Council's electoral arrangements. The consultation focuses on new proposals for council division boundaries in the following (which are the nearest to Thedwastre south).

- Abbeygate & Tollgate
- Barrow & Thingoe
- Blackbourn
- Eastgate & Moreton Hall
- Hardwick
- Haverhill East & Rural
- Minden & St Olaves

The consultation closes on June 21st and can be completed at the link below:

Launch of The Queen's Green Canopy in Suffolk

The Queen's Green Canopy is a tree planting and preservation campaign commemorating the Queen's Platinum Jubilee in 2022. Partners including Suffolk County Council are working together to preserve and enhance existing woodland while increasing both canopy cover and access to green space.

Tree Wardens will work with communities and parish councils to link up existing woodland with woodland walkways and hedgerows as part of the Queen's Green Canopy. This tree planting will create natural corridors for biodiversity and link up existing footpaths and bridleways.

Different organisations are invited to get involved. Find out more at www.suffolk-lieutenancy.org.uk/queens-green-canopy

Developers' Guide consultation open

Suffolk County Council has launched a consultation on an updated version of the Developers' Guide. The guide is a document to support all those involved in major planning applications in the county.

To make sure that new developments result in improvements to local communities, developers must make financial contributions to local authorities, known as Section 106 agreements, or through the Community Infrastructure Levy. The updated guide aims to support developers and make them aware of what they should consider with their plans. The consultation runs from 17 May to 28 June and can be filled out at the link below:

<https://www.suffolk.gov.uk/council-and-democracy/consultations-petitions-and-elections/consultations/developers-guide-to-infrastructure-contributions-in-suffolk/>

MID SUFFOLK.

Annual meeting took place on 24th May where the leader and chairs of committees are voted on. Yet again despite there being 50;50 number of councillors with the 2 political groups, all chairs and vice chairs were again elected by the chairs casting vote. This appears to me to be against democracy.

REVIEW OF WASTE SERVICE; the government has launched a consultation on waste service, including the possibility of collecting food waste.

REGAL CINEMA; having been completely refurbished and extended this was formally open at the bank holiday week end.

LOCAL PLAN. The Midsuffolk local plan has been submitted to the secretary of state for examination.

LOCALITY FUND; I have put in a form to pay for the planning application for the new shed at the playing field.

Dear Friends,

Well, we now know that the longed-for lifting of the restrictions is not going to happen for at least another month. Not unexpected – but certainly playing havoc with some of the plans that we have made in the benefice.

I know that it is very tempting to ignore the rules every now and again, especially as we have had so few cases of Covid locally, and many of us have been fully vaccinated. However, we must keep going with all that is required of us in order to protect the wider community. We are continuing to wear masks in Church, to social distance and – what is most distressing for us all – we are not singing at our services!

But that does not mean that we cannot praise God, we can do that in so many other ways, and we will continue for the time being to record/livestream services on a Sunday morning for those who like to enjoy them at home. I must admit, becoming a tele-evangelist was not at the top of my 'to do' list, but along with the other members of the ministry team it has almost become second nature!

As I wrote last month, I am looking forward to the ordinations at St Edmundsbury Cathedral on 3rd/4th of July. On 3rd July, please remember Helen Grover and Mark Hinde who will be deaconed, and on 4th July Rev Richard Stainer who will be priested. These three will be curates in the benefice, and I hope that you will get to know them and welcome them. I am very much looking forward to Mark and Helen joining the team. When they are all priested I may take a long holiday.....

Yours in Christ,

Sharon

Recipe Corner

Recipe taken from 'Royal Spread – The Cook book' by the Friends of the Theatre Royal in Bury St Edmunds.

Poached Plaice and Spinach Flan

rich short crust pastry

8 oz plain flour

5 oz butter

pinch salt

sm beaten egg

filling

2 med plaice, skinned and filleted

½ pt milk

peppercorns

bay leaf

4 oz fresh spinach, or 2 oz frozen
chopped spinach

1 oz butter

½ oz plain white flour

salt and pepper

2 oz Brie

2 sm eggs

1 lvl tbsp freshly grated

Parmesan cheese

Roll out pastry and line 8½" loose bottomed flan dish. (This is very nice, if possible, baked in a tranche tin 13½" x 4½" - easier to serve). Chill for 10-15 mins. Bake blind for about 20 mins or until just cooked through. Halve plaice fillets lengthways to make 8 fillets. Roll up skinned side out. Place in saucepan into which they will just fit, and pour over the milk. Add peppercorns and bay leaf. Cover, bring slowly to the boil, simmer until fillets are just cooked, about 2-3 mins. Remove with slotted spoon and drain on kitchen paper. Strain and reserve liquid. Cook spinach - dry well, squeeze out any excess water and finely chop. Melt butter in saucepan, stir in flour, add 7 fl.oz of the reserved poaching liquid, season and bring to the boil. Simmer 2-3 mins until thickened and smooth. Off the heat, beat in the rinded and roughly chopped Brie, eggs and spinach, stirring until evenly blended. Place fish down centre of prepared flan tin - spoon over sauce. Sprinkle with Parmesan and bake for 20-30 mins or until just set. Brown under hot grill for 1-2 mins. Serve hot.

Oven temp: 180C - Mk 4

Serves 4 main course

Serves 8 as a starter

Pamela Lainchbury, Bury St Edmunds

This is really excellent as a starter or supper dish and is not as complex as recipe indicates.
