VILLAGENEWS

time to head
for the beach!

ISSUE 233

to the July edition of your Felsham and Gedding Village News.

Ok I am wondering how it got to be time for me to be editing the July edition of newsletter already sure someone must have stolen a couple of months somewhere.

When looking up some facts about July for this edition of the Village News I discovered that the International Day of Friendship is observed on 30th July each year. On this day people are encouraged to reach out to friends, old and new, and celebrate the bonds of friendship that enrich their lives. Now that is an international day I can really get behind!

I hope that July brings some nice weather and that we can all get a chance to have summertime R&R and time spent with our family and friends.

Brenda and Pat have compiled a treasure trail round Felsham and Gedding to raise funds for the new shop. It should be a 2 hour (ish), walk, clues available from shop and cost is £10 per team. Prize for winning team is £15 to spend in the shop.

This is fun and a good way to get some exercise. It has to be handed back to shop by 4th August.

Do give it a try and support your shop.

DID YOU KNOW, July

There are two star signs which fall in the month of July. If you're born before July 22nd, then your star sign is Cancer. If you're born after this day, from July 23rd onward, then you're a Leo. Those born under the sign of Cancer are said to be loyal friends with great emotional depth, and those born under the sign of Leo are said to be very proud people who display great leadership.

The birthstone of July is the ruby, considered by many to be the king of gems. At one point in time, it was considered to protect warriors on the field of battle if it was embedded in their armor. Nowadays, as a birthstone, it's said to protect against evil.

The Anglo-Saxons had multiple names for the month of July, including Maed-monath and Hey-monath. Respectively, these translated into "the flowering of meadows" and "hay month."

Independence Day, commonly known as the Fourth of July, is a significant holiday celebrated in the United States on July 4th. It commemorates the country's declaration of independence from Great Britain in 1776.

Ukraine: One Year Anniversary

A year has passed since Russia's invasion of Ukraine. It was on the 24th March that Councillors crossparty shared a single motion in support of Ukraine. Our Group recommended the motion, condemning the actions of Putin, as well as committed to support and welcome refugees to become a part of Suffolk communities. The 'Homes for Ukraine' programme continue to provide hosts for refugees but is in dire need of more households to come forward and offer temporary accommodation. If you think you can still help, please visit: www.suffolk.gov.uk/Ukraine.

Hosts are entitled to £350 per month, which increases to £500 after 12 months.

HIGHWAYS; /A14 this is creating a serious problem with traffic using villages, rather than the A14. I have asked highways and the police if we can have more help.

LOCALITY BUDGET;

CORONATION EVENTS; Suffolk county council will waive any fees for street closures.

FULL COUNCIL:

Over the past 12 months my Group have submitted motions for Full Council meeting.

In July, we asked this Council to declare a cost-of-living emergency in the county of Suffolk. With Winter looming, we believed more emphasis was needed on providing emergency support to the most vulnerable households. This was voted down.

In December, we ask the Council to commit further to Community Transport, as well as investigate further into why the council failed in their Bus Back Better bid. Rural bus services have been frequently cut, and the council's failed bid meant millions for investment in restoring the bus network was lost. Again, this was voted down.

I am very proud that the motion I put to promote cleaner rivers in Suffolk. Was agreed unanimously. We believe every community should have access to safe waters. The motion committed the Council to investigate further into what further work can be done to protect biodiversity and address polluting run-off in rivers, as well as working with farmers to encourage better practice.

CLIMATE EMERGENCY; in 2019 our motion to declare a climate emergency was agreed, however as there are now 31 new councillors, we decided to ask for that commitment again last month which was approved

Carbon Budget – SCC is Not on Track. Importantly, the Council's progress towards achieving Net Zero by 2030 – a declaration made by SCC in 2019. Current forecasts show that SCC will still be producing 10,000 tonnes of CO2 in 2030.

As SCC has had 31 new Cllrs since the original declaration, our Group asked Cllrs to redeclare their commitment to Net Zero by 2030 last month

BUSES; The Department for Transport confirmed in May 2022 that SCC will receive no funding for their Bus Back Better bid. The strategy aimed to improve and expand bus services in Suffolk, connecting rural areas to local and important towns. Considering just how desperate you are **with the loss of many bus routes this was particularly disappointing**

MIDSUFFOLK

It was a difficult decision to not stand for re-election this year, after 32 years. I know you will give Nicky all the help you have given me.

SIX BELLS PLANNING APPLICATION; again we were successful in getting a refusal from Midsuffolk.

PARKING AT THE ORCHARD' I got an officer to go there and look at the problem, they have asked the bin lorry people to also see of there is sometimes, but I do know we need to keep onto this.

LOCAL PLAN; keep under review

Rev Sharon

Dear Friends

We love stories don't we?

As children we are taught the classic fairy tales, such as Rumpelstiltskin, the Princess and the Pea, Hansel and Gretel, Rapunzel....oh, how we love to hear of the princes, princesses, witches and mermaids, not to mention a fashion-obsessed emperor and a house made entirely of gingerbread. Heaven!

Some people think that the story of Jesus is a fairy tale. It certainly has many different characters in it, the bad guys (the Jewish authorities), the good guys (the disciples – excluding Judas!), the women (Mary, Jesus' mother, Mary Magdalene), the locations – desert, mountainside, mountain top and lake! And not forgetting of course, the miracles, turning water into wine, restoring sight to a blind man, healing the lepers, making a paralysed man walk....the list goes on. It is a fantastic story – but it is one that I am never tired of telling, of reliving through the bible, of believing to be true.

Why am I thinking of story at this particular time? Well, we are planning our annual holiday club in Cockfield Village Hall, which is an adventure in itself! So lots to look forward to in the Summer Holidays. See below for more details, or contact me to find out more!

I wish everyone a lovely summer, especially if you are taking a break away from your normal routine, I hope it leaves you refreshed.

We've booked a package holiday to Spain. It's our first time booking this sort of getaway, and a friend recently had a terrible experience when things went wrong on a similar trip. What sort of help is available if something does go wrong?

Firstly, tell the company or travel agent you booked with as soon as possible. This way you're more likely to be able to get it sorted quicker. If you don't say anything until you get home, you might get less or no compensation at all.

If the holiday you went on turned out to be lower in value than the one you originally booked you can make a claim for 'loss of value'. For example you paid for a deluxe room but only got a standard one, if it wasn't sorted out at the time you can claim back the difference in value.

You can also claim compensation for any extra money you have to spend while away, for example the hotel was a bus ride away from the beach rather than across the road as advertised. This is called claiming for 'out-of-pocket expenses'. If this does happen make sure you keep all your receipts for things like bus journeys.

If big parts of the trip you booked didn't happen or services weren't provided, for example a planned two-day excursion was cancelled and no alternative was organised, you can make a claim for 'loss of enjoyment'. You can also make this claim if something happens that causes you distress or disappointment, such as the pool was closed for the whole trip.

It's worth noting that there's no strict guidance on how much you can claim for loss of enjoyment but any claim you make must be reasonable. You can't get compensation if you simply didn't enjoy the holiday or if the problem was out of the holiday company's control - like bad weather.

Check the information you received when you made the booking to see what you're supposed to get. If you don't get the service you've been promised, you may be entitled to compensation for breach of contract. You might also be able to claim from your travel insurance – check if your policy covers this.

The Citizens Advice consumer helpline on 0808 223 1133 or an online adviser at citizensadvice.org.uk can help with more detailed consumer queries.

UK based Family Research Group researching the Sparks, Sparke, Sparkes family is holding its first reunion **Saturday 19th August 23** and cordially invites friends and family to join them at **The Pavillion, Rattlesden, Suffolk, IP30 0RT from 12pm-4pm.**

As part of the planned events it hopes to replicate the picture below of many of its namesake and associated family members, taken in 1890 outside the 5 Bells Public House in Rattlesden.

The event is an informal gathering of the family group who has traced its roots to the area, many of which will be making the pilgrimage from around the UK and supporting the local communities and businesses over the weekend.

It welcomes the local community to attend to share their memories and pictures of our extended family that lived and continues to do in Rattlesden and the surrounding villages.

Food and drinks will be available at the event.

We look forward to seeing you there!
