# VILLAGENEWS

to the September edition of your Felsham and Gedding Village News.

The downpours we had recently certainly seem to have had an affect on the flora and fauna in our garden! Runner beans coming out of our ears and the grass is growing at a rate of knots.

It was interesting to look at photos that we took in July/August last year and compare them with the same time in 2023 – our pond was bone dry and the ground was all yellow and brown. What a difference a year can make. Its always reassuring when there's still some water about. Long dry spells are likely to be the norm in the future though, so the data suggests.

Life continues apace in the village. It has been good to see the pub doing a good trade recently, and congratulations should go to those involved with the recent cake-off which raised £340 for Breast Cancer Awareness.

I was only able to squeeze in a flying visit but the slice of Victoria Sponge I wolfed down was delicious!

One thing to watch out for is the fundraising campaign to get the bells rehung in the church which kicks off soon (there's an information page in here).

Phil.

## PAUL JELL

A huge thank you to everyone who has sent cards, letters and flowers expressing their concerns for Paul, myself and the family at this very sad and sorrowful time.

We are grateful to you all for the love and support you have given us and continue to give to myself.

Thank you to Reverend Canon Sharon for leading such a lovely service.

Special thanks to Jo who created the floral spray for the coffin and indeed to Jo, Rosemarie and Jan who decorated the church splendidly. Thanks also to Jane and Carol who grew most of the flowers. I was so pleased with all the flowers and the music. Thank you, Elizabeth and Llewelyn, for the beautiful music. Thank you all for being there and in great voice. Paul would have been amazed.

Thank you,

Sue and family.

# COMING SOON...

**2027** will mark 720 years since the first recorded Rector of St Peter's Church in Felsham, though the church has been around for longer.

Currently, the tower houses six bells. The oldest dates from around 1475! The bells are unringable at the moment, due to the condition of the frame and fittings in the belfry which have been in place since the late 1800s and are worn out. The bells were last rung together sometime around 2009.

We are keen to have the bells retuned, rehung and augmented to a ring of 8 or 9 bells in a new strengthened bell-frame so that they can once again be heard across the village and fields beyond for services, to celebrate special occasions and for the enjoyment of villagers and ringing enthusiasts alike!

The restoration work will be part of a package of measures being planned to preserve and improve the fabric of the building for the benefit of the whole village.

We have sought quotes to have the bell work carried out and need to raise in the region of £100,000. There are grants available to fund the work, but we are required to raise a certain amount ourselves to qualify for most of them.

We'll therefore be launching a fundraising campaign to help get the ball rolling! More information and a short film about the appeal will be appearing soon so keep your eyes peeled!

# SHARON SPEAKS...

Dear Friends

The beginning of September often feels like the start of a new year – and that's probably because it heralds the start of the new academic year. I'm sure there are many of you with children who can't wait for the new school term to start, or perhaps some of you who will find it hard if your child is just starting school. Letting go of our children at key points in their lives can be both exhilarating and frightening at the same time.

As I write this, we are nearing the end of our (reinstated after the pandemic) annual benefice holiday club at Cockfield Village Hall. We've had around 20 children of primary school age each morning enjoying songs, games, crafts, puppetry and a drama involving the adult leaders – which always brings much laughter. This year the week was entitled 'We're going on a Safari' and has involved thinking about all God's creatures, and the love that God has for us all.

One of the things I enjoy about working with children in our primary schools (we now have Gt Whelmetham as well as Cockfield in our benefice) is the way in which children can be so honest. It's a shame that we can't always be honest as adults, but we learn as we grow that some things are best left unsaid to avoid unnecessary pain and suffering.

My hope is that by the end of the week the children will know that they are loved, by God, and by us, and that they can always rely on Him - if they choose to do so. And that although being honest is sometimes a difficult thing to be, with God's help we can learn how to react in any situation that we are faced with.

Yours in Christ

Sharon

# RECIPE CORNER

## Frying Pan Filo Tart

### Ingredients

- 2 tbsp olive oil
- 4 spring onions, sliced
- 1 courgette, halved lengthways and sliced
- 100g frozen peas
- 100g sugar snap peas or mangetout, trimmed
- 400g can butter beans, drained
- 150ml reduced-fat crème fraîche
- ½ small bunch of mint, leaves picked and chopped
- ½ lemon, zested
- 3 sheets filo pastry
- 1 egg, beaten
- 25g feta, crumbled
- salad leaves, to serve (optional)

### STEP 1

Heat ½ tbsp oil in a 20cm-wide skillet or ovenproof frying pan, and fry the spring onions and courgettes for 5 mins until lightly golden. Stir in the frozen peas and sugar snap peas and cook for a few minutes until the peas have defrosted. Tip in the butter beans, crème fraîche and 50ml water. Stir, then bubble for 2-3 mins until the sauce coats the greens. Transfer to a bowl, then stir in the mint and lemon zest. Season.

### STEP 2

Clean the pan and heat the oven to 200C/180C fan/gas 6. Use 1 tbsp oil to brush the filo sheets all over, then stack them up. Add the filo stack to the pan, pressing it into the base and leaving plenty of overhang. You can cut the filo sheets in half, then use them to line the pan, if you find that easier.

### STEP 3

Mix the egg into the greens and crème fraîche mixture, then spoon over the stack of filo. Scatter over the feta, then scrunch up the overhanging filo around the sides to make a crust. Brush the exposed filo with the remaining oil.

### STEP 4

Return the pan to the heat and cook for 5 mins to crisp the filo base. Transfer to the oven and bake for 20-25 mins until the filo is fully crisp and golden, and the filling has set. Cut into wedges and serve with some salad leaves, if you like.

# SEVERAL FACTS ABOUT SEPTEMBER...

## September was originally the seventh month of the year.

September derives its name from the Latin word “septem,” which means “seven”. This is because, in the original Roman calendar, September was actually the seventh month of the year. It was only later that the calendar was adjusted to include the months of January and February.

## September is the only month not named after a Roman deity.

As mentioned, September comes from the Latin word “septem”. The other months in the Gregorian calendar are named after Roman gods and goddesses. Just to name a few: January (Janus, the god of beginnings and transitions), March (Mars, the god of war), July (Julius Caesar), and August (Augustus Caesar).

## September is the only month with the same number of letters in its name as the number of the month (9).

Did you know that September is the only month of the year with the same number of letters in its name as the number of the month? That’s right – “September” has nine letters, just like the number of the month (9). It’s a fun little fact that sets this month apart from all the others.

## September 22 is the autumnal equinox.

On September 22nd or 23rd, depending on the year, the September equinox occurs. This is when the sun is directly above the equator, and day and night are nearly equal in length. In the Northern Hemisphere, this marks the start of fall. And in the Southern Hemisphere, it marks the beginning of spring.

## The birthstone for September is sapphire.

If you’re born in September, Sapphire is your birthstone. This precious gemstone is often associated with loyalty, truth, and sincerity, and often symbolizes wisdom and purity. Thus, many believe that Virgos (August 23 – September 22) are wise and highly analytical. On the other hand, Libras (September 23 – October 22) are pure-spirited. They are all about peace and harmony.
